

Design & Printing

We have an excellent team of graphic designers who can provide you with your exact need. Have our experts help you in your:

1. Logo design
2. Business Card Design
3. Brochure Design
4. Newsletter & Flyer Design

1. LOGO DESIGN

Leave it to us to design a logo that

- ◆ matches your company ethos
- ◆ gives you a distinct corporate identity
- ◆ helps create your corporate brand awareness

All that at a reasonable price.

2. BUSINESS CARD DESIGN

Let us help you create the best possible first impression with your business card. We will ensure that your 'corporate passport':

- ◆ is effective
- ◆ is unique and distinctive
- ◆ reflects your business USP
- ◆ can act as an extension of the goals of your organization

3. BROCHURE DESIGN:

Business brochures, corporate brochures, product brochures, catalogues, flyers can help you get your message out to the right people and attract the right kind of potential clients. Let our expert graphic artists and content team design your:

- ◆ Flyers
- ◆ Tri-fold brochures
- ◆ Sales brochures
- ◆ Marketing brochures
- ◆ Training manuals
- ◆ Booklet pocket folders
- ◆ Newsletters

Our experienced team assesses your objectives, research and write the copy, commission the photography, create the brochure or catalogue design, produce, print and deliver to your complete satisfaction.

4. Newsletter & Flyer Design:

Professional Newsletter & Flyer design can make a big impact at trade shows and your own events. Out shine your competitors and let us do the work of designing a vibrant Newsletter or flyer for you. We are up to the challenge of designing a brochure/flyer, from the beginning to the end, that suits your company's sense of style. So if your sales are not meeting your company's objectives, let us be the piece of the puzzle that pushes your company above the rest by designing world class brochures, flyers, leaflets, pamphlets, or poster prints.
